

Dear Valued Customer,

Home State Bank is committed to the health and safety of our customers, employees, and community. As of Friday, November 20th, we will temporarily suspend lobby access at our banking centers to help support community health efforts. We will also be adjusting our drive-up banking hours at all banking centers. Our hours will be 8:00 a.m. through 5:00 p.m. Monday through Friday, and 8:00 a.m. through 1:00 p.m. on Saturdays.

We remain committed to providing you with the same great service you have come to know, and have personal banking and teller teams available to assist you with all your banking needs both through **our drive-ups** and in the centers by appointment.
